### PRESIDENTS MESSAGE by Maurine Henderson

Well, January has flown by, especially for me as I am still on vacation, but by the time you are reading this newsletter, I will have returned home, ready to get to work on the agenda items for our association.

Your new board members have several new and exciting plans for the upcoming year. One of these ideas is to have some of our meetings at the arena in the form of play days for our members. Be sure to check our Facebook page (<https://www.facebook.com/LoomisBasinHorsemensAssociation>) or on the LBHA Website-[www.garlic.com/~lbha](http://www.garlic.com/~lbha) for upcoming events so you can mark your calendars to join us.

I am excited that the Western States Safe Trail Alliance has contacted us to make a presentation at the upcoming February meeting. I am looking forward to working with other equestrian groups in our area to further our agenda re trails and trail safety for all. I hope that you will be able to attend this meeting, and be sure to invite your trail riding friends to join us.

See you at the February meeting or maybe out on the trail.

Maureen Henderson

### TRAYLOR RANCH NATURE RESERVE

We are done with our workdays for the year. The trails out at the ranch are in good shape, so go out and enjoy. I'm sorry to see that we are still having people not picking up manure at the parking area. I would like to remind everyone to please pickup after your horse in the parking area. This means hauling the manure home and not forking it to the side of the parking area. And especially do NOT rake out your trailer. And please remind your friends of this that use Traylor Ranch. See the attached "Leave only Hoof Prints" flyer.

Thank you to those who volunteer to help maintain Traylor Ranch. The Ranch is the beautiful accessible place it is due to your efforts. Watch here for notice of our first workday, normally planned for the 4th Saturday of March.

Please members, if your see any issues during this stormy time of year at our Traylor Ranch, call me or send me an email. If it is an emergency, of course, call 911.

# Horse Campground at Robinson Flat

## Foresthill Road, Tahoe National Forest

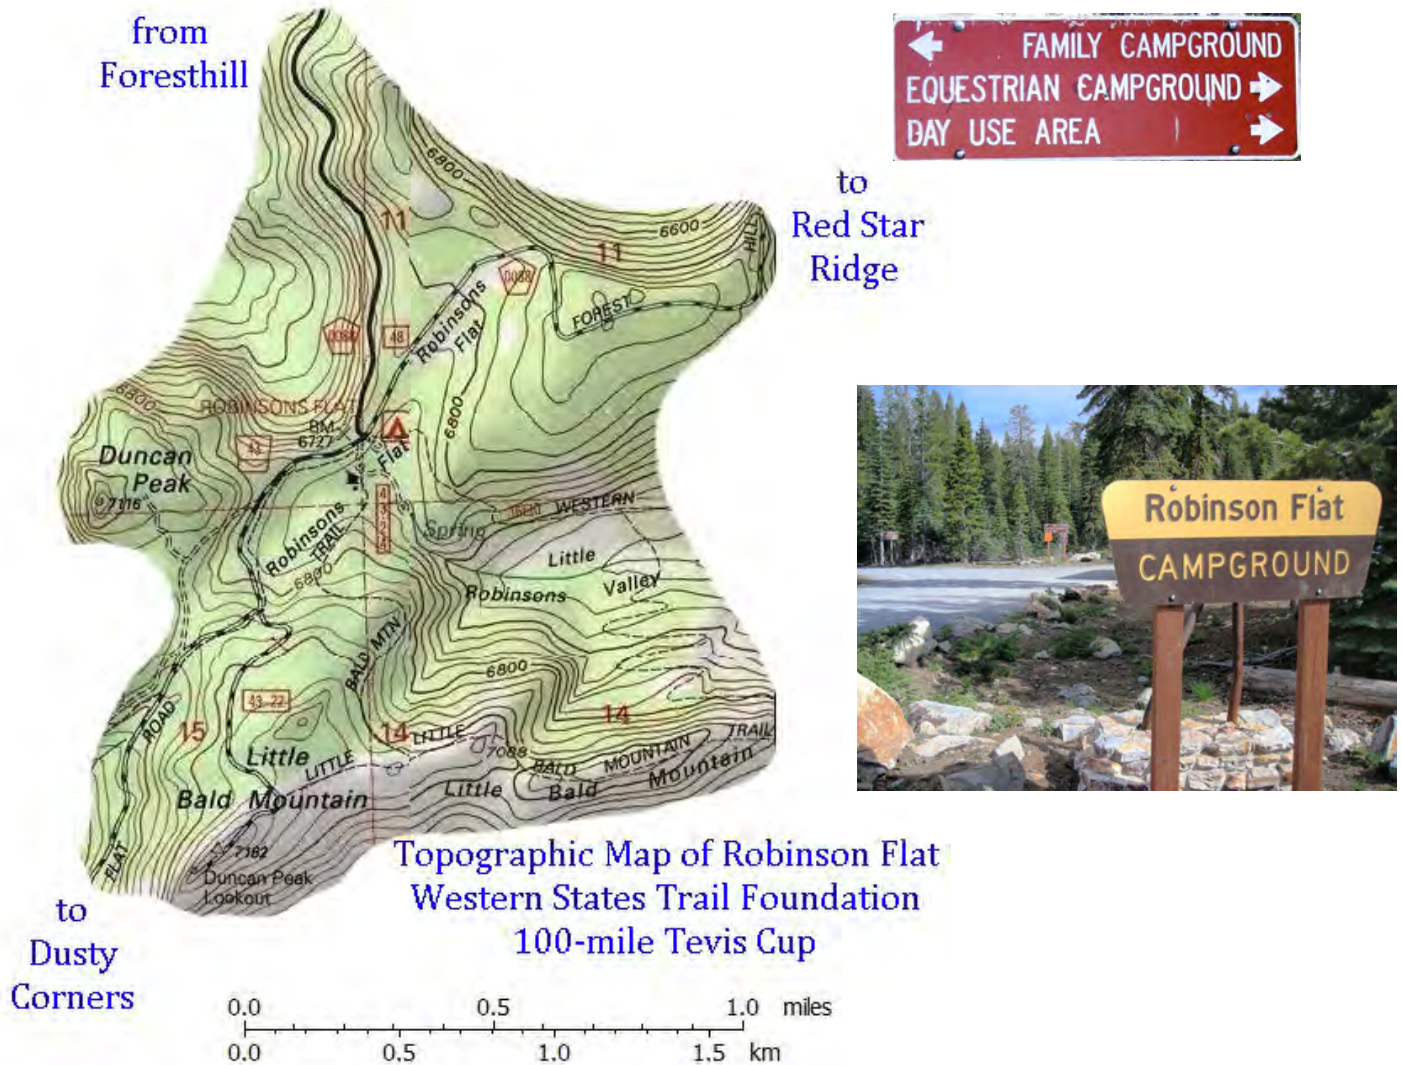

by Robert H. Sydnor, AERC Trail Master and Engineering Geologist  
February 2015

### Introduction

Robinson Flat is a U.S. Forest Service campground within the American Ranger District of Tahoe National Forest. Access is along the paved Foresthill Road, numbered as Placer County Road #88 and also as USFS Road #10. Drive 27 miles steeply uphill past Foresthill to reach Robinson Flat.

There are two separate campgrounds at Robinson Flat:

- ① on the southwest side is a campground with **seven sites for equestrians**, plus space for day-use horse-trailer parking on a logging landing; and
- ② a **family campground** with seven sites on the northeast side. As of February 2015, both campgrounds are free of charge. Bring your own trailer high-tie or portable corral, equestrian water, manure fork, and trash bags. There is no dumpster, and equestrians need to clean-up their own site.

These are typical views of the equestrian campground at Robinson Flat.

The first four campsites are fully shaded which is an advantage during hot summer days. The other sites are more open, and campsite #7 has a convenient pull-through driveway (right) There is one vaulted toilet. There is no cell phone coverage in the campground itself, until you walk up to the crest of the ridge.

Equestrian Campsite #7 has a convenient pull-through. It has one table, one bear-box, and one fire-grate.

**Trails in the Robinson Flat area**

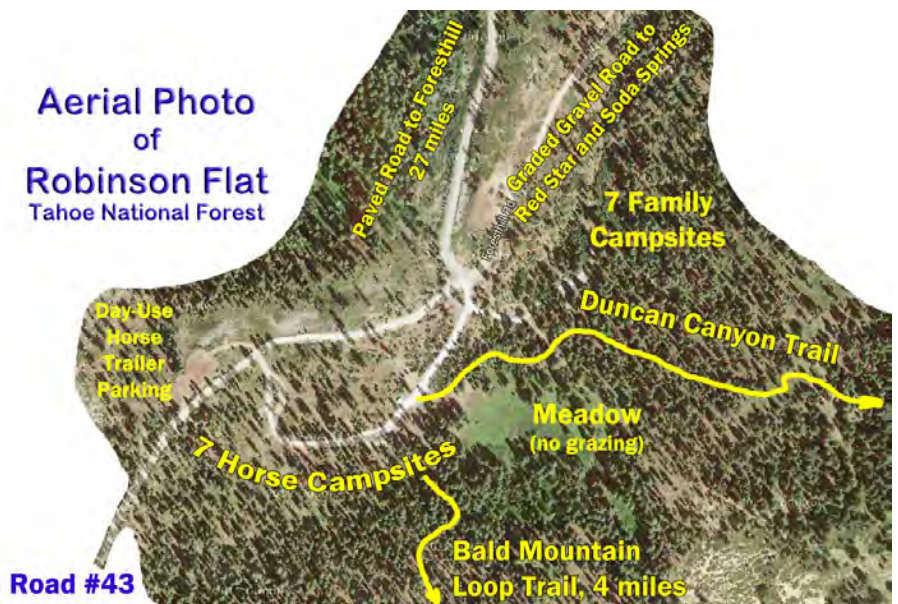

There are several trails used by horsemen who are camped at Robinson Flat.

During the annual Tevis Cup, riders enter Robinson Flat using the full-width graveled road from Red Star. After a 60-minute Vet-Check and rest, Tevis riders then exit Robinson Flat to the southwest along USFS Road #43, and head for Dusty Corners.

The **Little Bald Mountain Loop Trail** is 4 miles long. A short spur trail leads to the Duncan Peak Fire Lookout that is operated by the Tahoe National Forest in the summertime when forest-fires are possible. The Bald Mountain Loop Trail has several sections where the trail is on the brink of a steep cliff in volcanic rock. It is best to ride this loop counter-clockwise, so that horses will ascend on a trail-bed that is earthen, and descend on volcanic rock with no soil. There are two timber bridges of modern construction on the Bald Mountain Trail where it crosses a creek that flows into Duncan Canyon. The Bald Mountain Loop Trail connects into the steeply descending **Duncan Canyon Trail**.

## One Century of U.S. Forest Service History at Robinson Flat

The logistical importance of Robinson Flat is that it had a water-well for hydrating horse and mule-teams, plus a grassy meadow for horse feed. The Foresthill Road, then a dirt wagon-road, was a key link on the road over the Sierras. (This was long before Interstate 80 was constructed over Donner Summit.) In 1913, a U.S.F.S. guard-station was constructed for the seasonal ranger staff. It has a steeply pitched roof to withstand the heavy winter snowfall.

The historic meadow is a fragile habitat, and there is **no grazing** permitted.

The historic 1913 U.S.F.S. guard-station (called "The Residence"), the water-well in the meadow, and small storage buildings are located in the middle of the topographic saddle (elevation 6,727 feet), between the two campgrounds. There are several historic plaques and signposts that describe the history of Robinson Flat one century ago.

In the 1930s, during the Great Depression, there were work-crews stationed here from the Civilian Conservation Corps. They helped to construct trails and the Duncan Peak Fire Lookout on Little Bald Mountain (elevation 7,182 feet).

## Robinson Flat is the 36-mile mark and Vet-Check for the 100-mile Tevis Cup

From sunrise until about Noon on the Saturday of the annual Tevis Cup, Robinson Flat is congested with about ±400 crew, ±200 horses and riders, a dozen AERC Veterinarians plus a dozen UC Davis vet students, ±40 Tevis Volunteers and Cup Committee officials, a dozen horse-transport vehicles, plus Ham Radio operators. Visitors and crew have to park at Sailor Flat, then use a shuttle bus.

RELEASE AND HOLD HARMLESS AGREEMENT

The Undersigned assumes the unavoidable risks inherent in all horse-related activities, including but not limited to bodily injury and physical harm to horse, rider and spectator. The Undersigned acknowledges that horse-related activities are dangerous and that horses themselves have unpredictable temperaments which can sometimes cause injury. The Undersigned acknowledges that even the most experienced horse event sponsor, participant or horse owner cannot predict how each individual horse will react in a variety of situations and cannot guarantee my safety. THEREFORE, BY SIGNING BELOW, I KNOWINGLY ASSUME THE UNAVOIDABLE RISKS INHERENT IN ALL HORSE-RELATED ACTIVITIES, WHETHER KNOWN OR UNKNOWN, INCLUDING BUT NOT LIMITED TO BODILY INJURY AND PHYSICAL HARM TO HORSE, RIDER AND SPECTATOR, AND AGREE TO THE FOLLOWING ON BEHALF OF MYSELF AND MY SPOUSE, IF ANY:

1. I HEREBY RELEASE AND DISCHARGE LOOMIS BASIN HORSEMEN'S ASSOCIATION ("LBHA"), THE LBHA BOARD OF DIRECTORS, ALL LBHA OFFICERS AND INDIVIDUAL CLUB MEMBERS AND THEIR AGENTS, EMPLOYEES, OR REPRESENTATIVES, AS WELL AS PLACER COUNTY, (HEREINAFTER COLLECTIVELY KNOWN AS "RELEASEES") FROM ALL ACTIONS, CLAIMS OR DEMANDS I MAY NOW OR HEREAFTER HAVE FROM INJURY, DEATH OR DAMAGE RESULTING FROM MY PARTICIPATION IN ANY HORSE-RELATED ACTIVITIES SPONSORED BY LBHA, AT LOOMIS BASIN HORSEMEN'S ARENA OR AT ANY OTHER LOCATION.

2. I also EXPRESSLY WAIVE any rights I may have under California Civil Code §1542, which states: "A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

5. I agree that I will DEFEND, INDEMNIFY AND HOLD HARMLESS Releasees against all claims, demands, and causes of action, including court costs and actual attorney's fees, arising from any proceeding or lawsuit brought against them due to any act done by me, or brought by me or for my benefit.

I HAVE READ THIS RELEASE AND WAIVER OF LIABILITY AND INDEMNITY AGREEMENT CAREFULLY AND COMPLETELY, AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A RELEASE OF LIABILITY AND A CONTRACT BETWEEN MYSELF AND RELEASEES, AND I SIGN IT OF MY OWN FREE WILL. I FURTHER AGREE THAT NO ORAL REPRESENTATIONS, STATEMENTS OR INDUCEMENTS APART FROM THE FOREGOING WRITTEN AGREEMENT HAVE BEEN MADE, AND THAT I RELY ON NONE.
