PRESIDENTS MESSAGE by Denise Howell

Howdy!

It's that time again to create the New Year Newsletter file on my computer and change all the headings on the Newsletter. It's 2013!

Cheers to a wonderful new year with many opportunities, health and prosperity.

We had a fun Christmas Party in December with a big turn-out. We elected a couple new board members and saw several new faces. This is exciting.

We've had nothing but rain the month of December and personally I'm tired of it. I know we need the water...blah blah but I'm starting to get moldy!

Traylor Ranch is holding its own and looking pretty decent if not spectacular this time of year. Dave Faoro is always looking for help on his workdays and the last couple of months the work crew out there has had somewhat of a break although Dave can be found poking around checking on things often. Feel free to call him if you see anything out of the ordinary while you're out enjoying the sloshing around.

You are all important to us. We would truly appreciate your input regarding what you would like to see happen at our meetings this year. As you know, our meetings are the 3rd Wednesday of every month, and are usually held at the Round Table Pizza in Loomis at 6:30pm. I'd love to see more of you there, as it is a simple and fun way to get involved with your community and make new friends with similar interests.

Thank you for all your support in the past year. It takes a lot of work to keep our LBHA running smoothly and for your help, I am most appreciative. If you have not renewed your membership, please do. We need you.

Good karma to all and "pay it forward."

Happy New Year!

TRAYLOR RANCH NATURE RESERVE

We are done with our workdays for the year but you might see me out there running the tractor around. I would like to remind everyone to please pickup after your horse in the parking area. This means hauling the manure home and not forking it to the side of the parking area. And especially do NOT rake out your trailer. And please remind your friends of this that use Traylor Ranch.

Thank you to those who volunteer to help maintain Traylor Ranch. The Ranch is the beautiful accessible place it is due to your efforts.

Please members, if your see any issues during this stormy time of year at our Traylor Ranch, call me or send me an email. If it is an emergency, of course, call 911.

January 2013 Construction Update

Despite the winter rains of November and December, favorable progress in construction has been made on the new facility on Penryn Road in the village of Penryn. Masons have completed the walls, and the building is roofed.

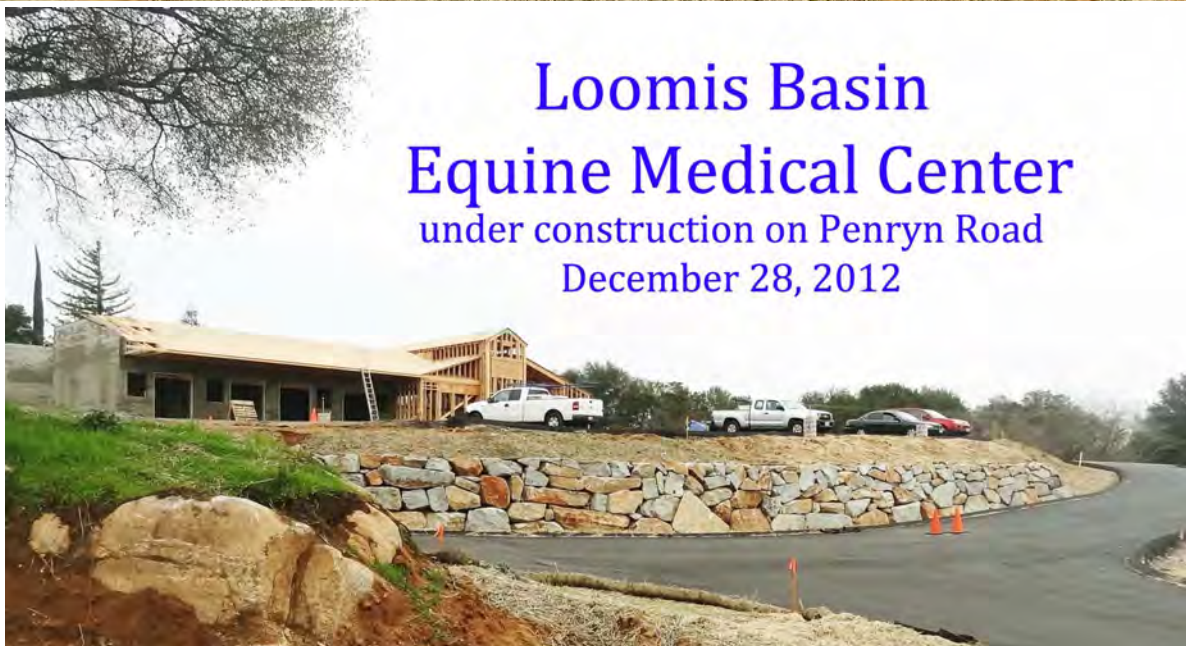

Dr. Langdon Fielding of Loomis Basin Equine Medical Center will announce the grand opening later in late Spring 2013. The General Contractor is Rod Thayer of OMNI Structures & Management of Roseville (a design-build firm), the grading contractor is Bair Excavation & Engineering, and the architect is John Gack.

In the meantime, these photographs by Robert Sydnor (LBHA Trail Committee) will keep members of Loomis Basin Horsemen's Association apprised of the construction progress of the new facility.

January 2013 Construction Update

New 102-foot Steel Bridge Across Coon Creek

Hidden Falls Regional County Park — Placer County

by Robert H. Sydnor, *A.E.R.C. Trail Master and Engineering Geologist*

Introduction:

Hidden Falls Regional Park in Placer County has expanded from the current 220 acres (beginning in 2006) with an addition of 980 acres on the north and northwest side of Coon Creek, for a total of 1,300 acres (available beginning in May 2013). The trail system will expand from the current 7 miles with 23 additional miles added, for a total of 30 miles of looping trails. The trails are newly-constructed to modern trail standards (smooth gradient, full width for horses, out-sloped drainage for the trail-bed, no water-bars, no culverts, no inside ditches).

The key for trail access to the northern region is two new steel bridges across Coon Creek. The bridges were built by Wescon Construction Corporation of Newcastle, Placer County; Keith Kenworthy, manager. The steel was fabricated by the Excel Bridge Manufacturing Company in Santa Fe Springs. The modular pieces were trucked into the site, then lifted into place with a large crane. The two bridges cost \$1.48 million; one is 102 feet long and the other is 118 feet long. The guard-rails are 5-feet high, and the bridges are 15 feet wide.

This is an interim and preliminary report on the trail construction process to keep LBHA equestrians informed of the work. Please look for an updated report after trail construction is completed and the new northwest region is opened for horseback riding.

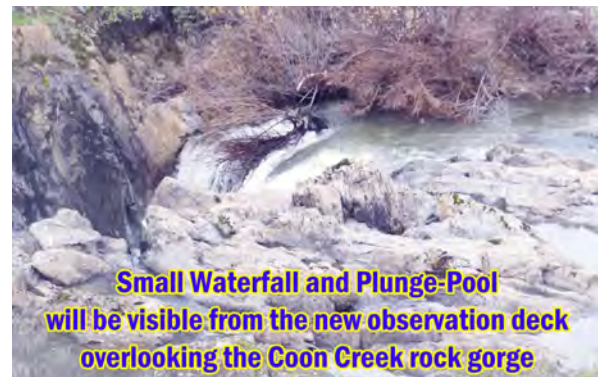

Construction work began in Summer 2012, and will continue through the Spring of 2013. Depending on the extent of winter and spring rainfall, Placer County Park Administrator John Ramirez expects to open the new region about May 2013. Stay tuned for his announcement.

Geology of Coon Creek at the new Bridge Site:

For most of the Hidden Falls area, the bedrock geology is not well-exposed. But at the rock gorge on Coon Creek where the new bridge is located, the geology becomes both highly visible and particularly relevant. The 102-foot span was located here to be above 100-year flood stage of hydraulic flow, and for adequate bedrock abutments for the bridge foundations.

Here equestrians will see short waterfalls, many cataracts, and plunge-pools. Coon Creek has a catchment area about a dozen times greater than adjacent Deadman Creek, so these waterfalls are considerably larger than Hidden Falls (about ¼-mile south). Our horses will notice the roar of the cataracts during Winter and Spring months after intense rainfall.

Notice the vertical foliation (shown by enhanced yellow lines) in the sheared metavolcanic rocks of the Copper Hill Volcanics of the Jurassic Period. Within the metavolcanics are felsic porphyrite dikes (cream colored) that are exceptionally hard and resistant to erosion; these form waterfalls and cataracts. The precise age of these metavolcanic rocks is not currently known, but Jurassic time spanned about 145 to 201 million years before present.

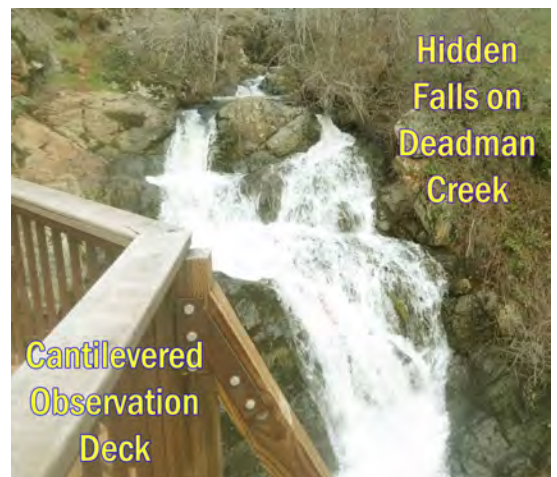

From the foot-trail into Hidden Falls, hikers can turn North, look across Coon Creek, and view the new construction in progress in the Winter and Spring months of 2013. The new trail will also serve as a service road (for park maintenance vehicles).

Although it was cold winter weather, and most leaves have fallen, it was enjoyable to see the abundant red berries from the mountain ash, *Sorbus californica*, enroute to visit Hidden Falls on Deadman Creek.

We will wait patiently until May 2013 when over 23 miles of new trails will open-up for equestrians at Hidden Falls Regional Park, for a total of 30 miles. Then we saddle-up.

LOOMIS BASIN HORSEMEN'S ASSOCIATION

RELEASE AND HOLD HARMLESS AGREEMENT

The Undersigned assumes the unavoidable risks inherent in all horse-related activities, including but not limited to bodily injury and physical harm to horse, rider and spectator. The Undersigned acknowledges that horse-related activities are dangerous and that horses themselves have unpredictable temperaments which can sometimes cause injury. The Undersigned acknowledges that even the most experienced horse event sponsor, participant or horse owner cannot predict how each individual horse will react in a variety of situations and cannot guarantee my safety. THEREFORE, BY SIGNING BELOW, I KNOWINGLY ASSUME THE UNAVOIDABLE RISKS INHERENT IN ALL HORSE-RELATED ACTIVITIES, WHETHER KNOWN OR UNKNOWN, INCLUDING BUT NOT LIMITED TO BODILY INJURY AND PHYSICAL HARM TO HORSE, RIDER AND SPECTATOR, AND AGREE TO THE FOLLOWING ON BEHALF OF MYSELF AND MY SPOUSE, IF ANY:

1. I HEREBY RELEASE AND DISCHARGE LOOMIS BASIN HORSEMEN'S ASSOCIATION ("LBHA"), THE LBHA BOARD OF DIRECTORS, ALL LBHA OFFICERS AND INDIVIDUAL CLUB MEMBERS AND THEIR AGENTS, EMPLOYEES, OR REPRESENTATIVES, AS WELL AS PLACER COUNTY, (HEREINAFTER COLLECTIVELY KNOWN AS "RELEASEES") FROM ALL ACTIONS, CLAIMS OR DEMANDS I MAY NOW OR HEREAFTER HAVE FROM INJURY, DEATH OR DAMAGE RESULTING FROM MY PARTICIPATION IN ANY HORSE-RELATED ACTIVITIES SPONSORED BY LBHA, AT LOOMIS BASIN HORSEMEN'S ARENA OR AT ANY OTHER LOCATION.

2. I also EXPRESSLY WAIVE any rights I may have under California Civil Code §1542, which states: "A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

5. I agree that I will DEFEND, INDEMNIFY AND HOLD HARMLESS Releasees against all claims, demands, and causes of action, including court costs and actual attorney's fees, arising from any proceeding or lawsuit brought against them due to any act done by me, or brought by me or for my benefit.

I HAVE READ THIS RELEASE AND WAIVER OF LIABILITY AND INDEMNITY AGREEMENT CAREFULLY AND COMPLETELY, AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A RELEASE OF LIABILITY AND A CONTRACT BETWEEN MYSELF AND RELEASEES, AND I SIGN IT OF MY OWN FREE WILL. I FURTHER AGREE THAT NO ORAL REPRESENTATIONS, STATEMENTS OR INDUCEMENTS APART FROM THE FOREGOING WRITTEN AGREEMENT HAVE BEEN MADE, AND THAT I RELY ON NONE. THIS AGREEMENT SHALL REMAIN IN EFFECT UNTIL REVOKED IN WRITING BY ME.
